TO WHOM IT MAY CONCERN

As head of English at the faculty of Arts and Humanities in Al-Lith university college from 2013 till 2014, I certify that ALZAHRANI, KHALID IBRAHIM A was a student of English and successfully got his BA in Arts

At a personal level, Khalid had superior personal skills and worked well either independently or in a group setting. He was very liked and respected by both his peers and his teachers. Throughout the courses, he demonstrated great perseverance and initiative. He was not only motivated to learn the material, but put great work into assimilating it into his own experience.
